S5GConnect Programme

Objectives

Objective 1

**Transforming
5G demand**

Objective 1

**Transforming
5G demand**

Objective 2

**Accelerating
regional
networks**

Objective 1

**Transforming
5G demand**

Objective 2

**Accelerating
regional
networks**

Objective 3

**Shaping a
technological
eco-system**

Objective 1

**Transforming
5G demand**

Objective 2

**Accelerating
regional
networks**

Objective 3

**Shaping a
technological
eco-system**

Objective 4

**Generating
awareness and
engagement**

Success is:

**A thriving 5G
eco-system**

Success is:

**Turning starts-up
into “scale-ups”**

Success is:

into commercial
products**

Success is:

**Sustainability
and diversity**

Success is:

**Traditional businesses
backing innovation**

Success is:

**Showcasing
success stories**

Transforming connectivity

Transforming regions

S5GConnect Hubs
A home for...

Innovation

Development

Partnerships

Support

Training

Growth

How will the S5GConnect Hubs help us meet our objectives?

How will the S5GConnect Hubs help us meet our objectives?

By giving SMEs the support, technology, networks and skills they need to scale up and transform regional economies.
